

Corporate Partner Program

We would like to welcome the employees of the State of Indiana into our Corporate Partner Program where you will be treated like members of our family.

Honda of Fishers Corporate Partner Program offers you a very competitive, standardized, market-driven pricing policy along with the opportunity to enjoy the experience of purchasing your new vehicle in a world class professional environment.

Explanation of Benefits

New Honda, Pre-owned & CPO vehicle Pricing

You will receive Honda of Fishers Employee Pricing on new Hondas, Pre-owned & CPO vehicles along with Parts, Service, and Aftermarket Accessories purchased at the dealership.

Variables considered in pricing your vehicle would be inventory supply, redesigned vehicles, specialty units, competition, etc.

Any additional savings in effect at time of purchase / lease would be used to lower your purchase price.

Pre-owned & CPO vehicles are discounted up to \$500.00 below current local market value. (Comparable vehicles, features and mileage).

Pricing on all vehicles is completed by Management at the dealership after taking these factors into consideration.

Please contact Gary L. Weber, Corporate Relations Director at : 317-833-7065 or email : gweber@hondaoffishers.com before visiting the dealership. He has had many years of experience with Corporate Partner Programs and wants to provide a PREMIER buying experience for you ensuring the process is a simple, easily understood purchase experience, which saves you time, money and provides value for you.

Parts, Service & Aftermarket Accessories Discounts

You will receive a 10% discount on all parts, service & aftermarket accessories at our dealership. Discounts cannot be combined with other offers and are subject to a \$100 maximum per visit. Please print this Certificate and give it to your Service Writer or Parts Department upon your arrival at the dealership.
