

Earn the online degree that makes an impact

Southern New Hampshire University is a nonprofit, accredited university offering degree programs online and on campus. In support of our commitment to accessible, high-quality education, we're offering additional benefits to state, city and local government employees through our State Employee Initiative.

- ✓ Receive up to 15% tuition savings on our flexible, career-focused online degree programs.
- ✓ Maximize your tuition assistance with deferred billing options and financial aid for those who qualify.
- ✓ Transfer up to 90 credits toward a bachelor's degree. Your professional military education, job training or industry certifications may qualify.
- ✓ Choose from 200+ online degree programs in business, criminal justice, public administration, technology and more.
