**General Information**

**What is your agreement with us?**
You are insured under the group policy shown on the specifications page attached to this certificate. Your application as defined under this certificate is attached and is a part of this certificate. This certificate summarizes the principal provisions of the group policy that affect your life insurance coverage. The provisions summarized in this certificate are subject in every respect to the group policy.

Any statements made in your application as defined in this certificate will, in the absence of fraud, be considered representations and not warranties. Also, any statement made will not be used to void your insurance nor defend
against a claim unless the statement is contained in the application attached to your certificate.

This certificate is issued in consideration of your application and the payment of the required premium.

**Can this certificate be amended?**

Yes. We retain the right to amend this certificate at any time without your consent. Any amendment will be without prejudice to any claim incurred for benefits prior to the date of the amendment.

**Who is eligible for insurance?**

You are eligible if you:

1. are a member of the group and of an eligible class as defined in the group policy; and
2. have satisfied the waiting period as shown on the specifications page attached to this certificate; and
3. meet the actively at work requirement as shown in the section entitled “What is the actively at work requirement?”.

**Are retired employees eligible for insurance?**

If the policyholder’s plan of insurance, as reflected in the specifications page attached to this certificate, does not specifically provide insurance for retired employees, a retired employee shall not be eligible to become insured, nor have his or her insurance continued. If the policyholder’s plan of insurance specifically provides insurance for retired employees, the minimum hours per week and actively at work requirements will not apply to such persons.

**What is the actively at work requirement?**

To be eligible to become insured or to receive an increase in the amount of insurance, you must be actively at work, fully performing your customary duties for your regularly scheduled number of hours at the employer’s normal place of business, or at other places the employer’s business requires you to travel.

If you are not actively at work on the date coverage would otherwise begin or on the date an increase in your amount of insurance would otherwise be effective, you will not be eligible for the coverage or increase until you return to active work. However, if the absence is on a non-work day, coverage will not be delayed provided you were actively at work on the work day immediately preceding the non-work day.

Except as otherwise provided for in this certificate, you are eligible to continue to be insured only while you remain actively at work.

**When will we require evidence of insurability?**

Evidence of insurability will be required if:

1. the specifications page attached to this certificate states that evidence of insurability is required; or
2. the insurance is contributory and you do not enroll within the enrollment period shown on the specifications page attached to this certificate; or
3. the insurance for which you previously enrolled did not go into effect or was terminated because you failed to make a required premium contribution; or
4. during a previous period of eligibility, you failed to submit required evidence of insurability or that which was submitted was not satisfactory to us; or
5. you are insured by an individual policy issued under the terms of the conversion right section.

**When does insurance become effective?**

Insurance becomes effective four days after the payroll deduction occurs or the first of the month for direct bill agencies, provided all of the following conditions have been met:

1. you meet all eligibility requirements; and
2. if required, you apply for the insurance on forms which are approved by us; and
3. we are satisfied with your evidence of insurability, if we require evidence.

**Can your coverage be continued during sickness, injury, leave of absence or temporary layoff?**

Yes. The employer may continue your noncontributory insurance or allow you to continue your contributory insurance when you are absent from work due to sickness, injury, leave of absence, or temporary layoff.

Continuation of your insurance is subject to certain time limits and conditions as stated in the group policy. If you stop active work for any reason, you should discuss with the employer’s Benefits Division what arrangements may be made to continue your insurance.

**Prepiums**

**When and how often are your premium contributions due?**

Unless the policyholder and we have agreed to some other premium payment procedure, any premium contributions you are required to make for contributory insurance are to be paid by you to the policyholder bi-weekly or to us for direct bill agencies the first day of each month. We apply premiums consecutively to keep the insurance in force.
How is the premium determined?

The premium will be the premium rate multiplied by the number of $1,000 units of salary in force on the date premiums are due. The premium may also be computed by any other method on which the policyholder and we agree.

We may change the premium rate:

(1) anytime, if the policy terms are amended and a premium rate change is agreed to by the policyholder.

Death Benefit

What is the amount of the death benefit?

The amount of the death benefit is the amount of insurance shown on the specifications page attached to this certificate.

Can you request a change in the amount of your contributory insurance?

Yes. If the policyholder’s plan of insurance, as reflected in the specifications page attached to the group policy, allows for a choice of amounts of insurance for your class, you can request an increase or a decrease in the amount of your contributory insurance within the limitations of the policyholder’s plan of insurance, including any limitations on when and how often such requests may be made.

If you request an increase in the amount of your contributory insurance, we will require evidence of insurability, unless otherwise noted on the specifications page.

When will changes in your coverage amount be effective?

Requested increases in the amount of your contributory insurance, if approved, are effective on the date we approve the increase. Requested decreases in the amount of your contributory insurance are effective on the first day of the month following receipt of your request for a decrease or if different, according to the administrative practices of the employer.

Requests for a change made during a special enrollment period offered by the employer will not become effective prior to the general effective date of elections made during that enrollment.

Increases and decreases in insurance amounts which result from a change in your eligible class or earnings will be effective as shown on the specifications page attached to this certificate.

All increases in the amount of insurance are subject to the actively at work requirement.

When will the death benefit be payable?

We will pay the death benefit upon receipt at our home office of written proof satisfactory to us that you died while insured under this certificate. All payments by us are payable from our home office.

The death benefit will be paid in a single sum or by any other method agreeable to us and the beneficiary. We will pay interest on the death benefit from the date of your death until the date of payment. Interest will be at an annual rate determined by us, but never less than 0.1% per year compounded annually, or the minimum required by state law, whichever is greater.

Payment of the death benefit will extinguish our liability under the certificate for which the death benefit has been paid.

To whom will we pay the death benefit?

We will pay the death benefit to the beneficiary or beneficiaries. A beneficiary is named by you to receive the death benefit to be paid at your death. You may name one or more beneficiaries. You cannot name the policyholder or an associated company of the policyholder as a beneficiary.

You may also choose to name a beneficiary that you cannot change without the beneficiary’s consent. This is called an irrevocable beneficiary.

If there is more than one beneficiary, each will receive an equal share, unless you have requested another method in writing. To receive the death benefit, a beneficiary must be living on the date of your death. In the event a beneficiary is not living on the date of your death, that beneficiary’s portion of the death benefit shall be equally distributed to the remaining surviving beneficiaries. In the event of the simultaneous deaths of you and a beneficiary, the death benefit will be paid as if you survived the beneficiary.

If there is no eligible beneficiary, or if you do not name one, we will pay the death benefit to:

(1) your lawful spouse, if living, otherwise;
(2) your natural or legally adopted child (children) in equal shares, if living, otherwise;
(3) your parents in equal shares, if living, otherwise;
(4) your siblings in equal shares, if living, otherwise;
(5) the personal representative of your estate.

Can you add or change beneficiaries?

Yes. You can add or change beneficiaries if all of the following are true:

(1) your coverage is in force; and
(2) we have written consent of all irrevocable beneficiaries; and
(3) you have not assigned the ownership of your insurance.
A request to add or change a beneficiary must be made in writing. All requests are subject to our approval. A change will take effect as of the date it is signed, but will not affect any payment we make or action we take before receiving your notice.

Termination

When does your coverage terminate?

Your coverage ends on the earliest of the following:

1. the date the group policy ends; or
2. the last day for which premium contributions have been paid following the date you no longer meet the eligibility requirements; or
3. for a State Legislator, December 31 of the year in which his or her term of office expires and he or she is not re-elected; or
4. the date the group policy is amended so you are no longer eligible; or
5. 31 days (the grace period) after the due date of any premium contribution which is not paid; or
6. the last day for which premium contributions have been paid following your written request to cease participation under this certificate.

When does the group policy terminate?

Termination of this policy shall be in accordance with the Professional Services Contract EDS# D9-14-BENEF-212.

Conversion Right

What is the conversion right?

You may convert this insurance to a new individual life insurance policy if all or part of your life insurance under the group policy terminates.

You may convert up to the full amount of terminated insurance if termination occurs because you move from one existing eligible class to another, or you are no longer in an eligible class.

What is the full conversion right?

You may convert up to the full amount of terminated insurance if termination occurs because your employment ends or because you are no longer in an eligible class.

What is the limited conversion right?

Limited conversion is available if, after you have been insured for at least five years, insurance is terminated because:

1. the group policy is terminated; or
2. the group policy is changed to reduce or terminate your insurance.

For a limited conversion, you may convert up to the full amount of terminated insurance, but not more than the maximum. The maximum is the lesser of:

(a) $10,000; and
(b) the amount of life insurance which terminated minus any amount of group life insurance for which you become eligible under any group policy issued or reinstated by us or any other carrier within 31 days of the date the insurance terminated under the group policy.

When is conversion not available?

Neither the conversion right nor the limited conversion right is available if your coverage under the group policy terminates due to failure to make, when due, required premium contributions.

To what type of policy may you convert?

Under both the conversion right and the limited conversion right, you may convert your insurance to any type of individual policy of life insurance then customarily issued by us for purposes of conversion, except term insurance. The individual policy will not include any supplemental benefits, including, but not limited to, any disability benefits, accidental death and dismemberment benefits, or accelerated benefits.

How do you convert your insurance?

You convert your insurance by applying for an individual policy and paying the first premium within 31 days after your group insurance terminates. No evidence of insurability will be required.

How is the premium for the individual policy determined?

We base the premium for the individual policy on the plan of insurance, your age, and the class of risk to which you belong on the date of the conversion.

When is the individual policy effective?

The individual policy takes effect 31 days after the group insurance provided under the group policy terminates.

What happens if you die during the 31-day period allowed for conversion?

If you die during the 31-day period allowed for conversion, we will pay a death benefit regardless of whether or not an application for coverage under an individual policy has been submitted. The death benefit will be the amount of insurance you would have been eligible to convert under the terms of the conversion right section.

We will return any premium you paid for an individual policy to your beneficiary named under the group policy. In no event will we be liable under both the group policy and the individual policy.
Additional Information

What if your age has been misstated?

If your age has been misstated, the death benefit payable will be that amount to which you are entitled based on your correct age. A premium adjustment will be made so that the actual premium required at your correct age is paid.

Is there a suicide exclusion?

The specifications page attached to this certificate indicates what insurance, if any, is subject to the suicide exclusion outlined below.

When applicable, this suicide exclusion limits our liability to an amount equal to the premiums paid if you, whether sane or insane, die by suicide within two years of the effective date of your insurance.

If there has been an increase in your amount of insurance for which you were required to apply or for which we required evidence of insurability, and if you die by suicide within two years of the effective date of the increase, our liability with respect to that increase will be limited to the premiums paid and attributable to such increase.

When does your insurance become incontestable?

Except for the non-payment of premiums, after your insurance has been in force during your lifetime for two years from the effective date of your coverage, we cannot contest your coverage. However, if there has been an increase in the amount of insurance for which you were required to apply or for which we required evidence of insurability, then, to the extent of the increase, any loss which occurs within two years of the effective date of the increase will be contestable.

Any statements you make in your application as defined under this certificate will, in the absence of fraud, be considered representations and not warranties. Also, any statement you make will not be used to void your insurance, nor defend against a claim, unless the statement is contained in the application.

Can your insurance be assigned?

Yes. However, we will not be bound by an assignment of the certificate or of any interest in it unless it is made as a written instrument, and you file the original instrument or a certified copy with us at our home office, and we send you an acknowledged copy.

We are not responsible for the validity of any assignment. You are responsible for ensuring that the assignment is legal in your state and that it accomplishes your intended goals. If a claim is based on an assignment, we may require proof of interest of the claimant. A valid assignment will take precedence over any claim of a beneficiary.

Is the policyholder required to maintain records?

Yes. The policyholder is required to maintain adequate records of any information necessary for us to administer this certificate. We can obtain them from the policyholder at any reasonable time.

If a clerical error is made in keeping records on the insurance under the group policy, it will not affect otherwise valid insurance. A clerical error does not continue insurance which is otherwise stopped, make insurance effective when it should not have been or change the amount of insurance provided by the provisions of the policy. If an error causes a change in premium payment, a fair adjustment will be made.

Will the provisions of this certificate conform with state law?

Yes. If any provision in this certificate, or in the provisions of the group policy, is in conflict with the laws of the state governing the certificates or the group policy, the provision will be deemed to be amended to conform to such laws.
Benefits received under this Accelerated Benefits Certificate Supplement may be taxable. You should seek assistance from a personal tax advisor prior to requesting an accelerated payment of death benefits.

**General Information**

This certificate supplement is subject to every term, condition, exclusion, limitation, and provision of your certificate unless otherwise expressly provided for herein.

**What does this supplement provide?**

This supplement provides for the accelerated payment of either the full or a partial amount of an insured’s death benefit provided under your certificate. If an insured has a terminal condition as defined in this supplement, you may request an accelerated payment of the applicable death benefit.

**Definitions**

**accelerated benefit**

The amount of the death benefit we will pay if the insured is eligible under this supplement.

**death benefit**

The amount of the insured’s life insurance as shown on the specifications page attached to your certificate.

**immediate family**

Your spouse, children, parents, grandparents, grandchildren, brothers and sisters, and their spouses.

**insured**

For purposes of this supplement, an insured employee, an insured spouse, or an insured dependent child.

**physician**

An individual who is licensed to practice medicine or treat illness in the state in which treatment is received. This does not include you or a member of your immediate family.

**Terminal Condition**

**What is a terminal condition?**

A terminal condition is a condition caused by sickness or accident which directly results in a life expectancy of twelve months or less.

**What evidence do we require of the insured’s terminal condition?**

We must be given evidence that satisfies us that the insured’s life expectancy, because of sickness or accident, is twelve months or less. That evidence must include certification by a physician.

**Do we have the right to obtain independent medical verification?**

Yes. We retain the right to have the insured medically examined at our own expense to verify the insured’s medical condition. We may do this as often as reasonably required while accelerated benefits are being considered or paid.

**Payment of Accelerated Benefit**

**What are the conditions for the payment of an accelerated benefit?**

We will consider the payment of an accelerated benefit, subject to all of the following conditions:

1. coverage must be in force and all premiums due must be fully paid; and
2. application must be made in writing and in a form which is satisfactory to us. We will tell you what form is required; and
3. you must be the sole owner of the certificate; and
4. the insured’s insurance must not have an irrevocable beneficiary.

**Who may request an accelerated payment of the death benefit?**

You may request an accelerated payment of the insurance on your life or on the life of a spouse or dependent child insured under your certificate.

**Is the request for an accelerated benefit voluntary?**

Yes. An accelerated benefit will be made available on a voluntary basis only. An accelerated benefit under this supplement is not intended to cause an involuntary reduction of the death benefit ultimately payable to the named beneficiary. Therefore, payment of the death benefit cannot be accelerated under this supplement if the insured:

1. is required by law to use this option to meet the claims of creditors, whether in bankruptcy or otherwise; or
2. is required by a government agency to use this option in order to apply for, obtain, or keep a government benefit or entitlement.
Is there a minimum or maximum death benefit eligible for an accelerated benefit?

Yes. The minimum death benefit to be eligible for an accelerated benefit under this supplement is $10,000. The maximum death benefit to be eligible for an accelerated benefit is $1,000,000.

Do you have to take the entire accelerated benefit?

No. You may choose to receive a partial accelerated benefit. If you do so, the insured’s remaining coverage will stay in force.

If you elect to receive only a partial accelerated benefit amount available under this supplement, the insured’s remaining death benefit under the certificate must be at least $25,000.

You may reapply for the payment of the remaining amount of insurance at any time. However, we may ask for further satisfactory evidence that the insured meets all requirements for the accelerated benefit.

What is the effect on the insured’s coverage of the receipt of an accelerated benefit?

If you elect to accelerate the full amount of an insured’s death benefit, the insured’s coverage and all other benefits under the certificate and any certificate supplements for that insured will end. If such termination causes a certificate holder’s covered spouse or dependent children to lose coverage, each of them will be allowed to convert any such insurance to a policy of individual life insurance according to the conversion right section of the certificate to which this supplement is attached.

If a partial accelerated benefit is chosen, coverage will remain in force and premiums will be reduced accordingly. The remaining amount of insurance under your certificate will be the full amount of insurance minus the amount of insurance that was accelerated.

How will we pay the accelerated benefit?

We will pay the accelerated benefit in one lump sum or in any other mutually agreeable manner.

To whom will we pay accelerated benefits?

All accelerated benefits will be paid to you unless you validly assign them otherwise. If you die before all payments have been made, we will pay the remainder to the beneficiary named under this certificate. Payment will be made in one lump sum which will be the present value of the payments that remain, using the interest rate we use to determine the payments.

Termination

When does an insured’s coverage under this supplement terminate?

An insured’s coverage ends on the date the insured is no longer covered for life insurance under the group policy.

When does this supplement terminate?

This supplement will terminate on the earlier of:

1. the date we receive a written request from the policyholder to cancel the Accelerated Benefits Policy Rider; or
2. the date the group policy is terminated.

When does insurance under this supplement become effective?

Insurance becomes effective on the date that you become insured for life insurance under the certificate.

Accidental Death and Dismemberment (AD&D) Benefit

What does accidental death or dismemberment by accidental injury mean?

Accidental death or dismemberment by accidental injury as used in this supplement means that the insured’s death or dismemberment results, directly and independently of all other causes, from an accidental bodily injury which is unintended, unexpected, and unforeseen. The bodily injury must be evidenced by a visible contusion or wound, except in the case of accidental drowning. The bodily injury must be the sole cause of death or dismemberment.

The injury must occur while the insured’s coverage under this supplement is in force. The insured’s death or dismemberment must occur within 90 days after the date of the injury.

In no event will we pay the accidental death or dismemberment benefit where the insured’s death or dismemberment is caused directly or indirectly by, results from, or where there is a contribution from, any of the following:

1. self-inflicted injury or self destruction, whether sane or insane; or
2. suicide or attempted suicide, whether sane or insane; or
3. the insured’s participation in or attempt to commit a crime, assault, felony, or any illegal activity, regardless of any legal proceedings, or the absence of any legal proceedings, thereto; or
4. bodily or mental infirmity, illness or disease; or
5. the use of alcohol, drugs, medications, poisons, gases, fumes or other substances taken, absorbed, inhaled, except for inhalation of gas or poison if during the course of employment, ingested or injected, unless taken upon the advice of a licensed physician in the verifiable prescribed manner and dosage; or
6. motor vehicle collision or accident where the insured is the operator of the motor vehicle and this insured’s blood alcohol level meets or exceeds the level at which intoxication is defined in the state where the collision or accident occurred, regardless of any legal proceedings, or the absence of any legal proceedings, thereto; or
7. infection, other than infection occurring simultaneously with, and as a direct result of, the accidental injury; or
8. medical or surgical treatment or diagnostic procedures or any resulting complications; or
9. travel in or descent from any aircraft, except as a fare-paying passenger on a regularly scheduled commercial flight on a licensed passenger aircraft or as a crew member conducting business for the State of Indiana; or
10. war or any act of war, whether declared or undeclared; or
11. service in the military of any nation.

What is the amount of the accidental death and dismemberment benefit?

The amount of the benefit shall be a percentage of the amount of insurance shown on the specifications page attached to the group policy. The percentage is determined by the type of loss as shown in the following table:

<table>
<thead>
<tr>
<th>FOR LOSS OF</th>
<th>AMOUNT OF BENEFIT</th>

</tbody>
</table>

Loss of hands or feet means complete severance at or above the wrist or ankle joints. Loss of sight means the
entire and irrecoverable loss of sight which cannot be corrected by medical or surgical treatment or by artificial means.

Under no circumstance will more than one payment be made for the loss of the same limb, eye, hand, foot, or sight, if one payment has already been made for that loss.

Benefits may be paid for more than one accidental loss but the total amount of AD&D insurance payable under this supplement for all of an insured’s losses due to any one accident, will never exceed the full amount of AD&D insurance shown on the specifications page attached to the group policy.

**When will the accidental death and dismemberment benefit be payable?**

We will pay the AD&D benefit upon receipt at our home office of written proof satisfactory to us that the insured died or suffered dismemberment as a result of an accidental injury. All payments by us are payable from our home office. The death benefit will be paid in a single sum or by any other method agreeable to us and the beneficiary.

**To whom do we pay the benefit?**

In the case of your accidental death, we will pay the accidental death benefit to the person or persons entitled to receive your death benefit under the terms of the group policy. The benefit for other losses sustained by you will be paid to you, if living, otherwise to your estate.

**Termination**

**When does an insured’s coverage under this supplement terminate?**

An insured’s coverage ends on the earlier of:

1. the date you are no longer covered for life insurance under the group policy; or
2. 31 days (the grace period) after the due date of any premium contribution which is not paid.

**When does this supplement terminate?**

This supplement will terminate on the earlier of:

1. the date we receive a written request from the policyholder to cancel this supplement; or
2. the date the group policy is terminated.

**Additional Information**

**Do we have the right to obtain independent medical verification?**

Yes. We retain the right to have an insured medically examined at our expense when and so often as we may reasonably require whenever a claim is pending and, where not forbidden by law, we reserve the right to have an autopsy performed in case of death.

**Can insurance under this supplement be converted to a policy of individual insurance upon termination?**

No. Coverage under this supplement will not be included in any insurance issued under the conversion right section of the group policy.

What does this supplement provide?

This supplement provides for continuation of your group life and accidental death and dismemberment insurance if you no longer meet the eligibility requirements of your certificate, except as provided for herein.

To continue coverage under the provisions of this supplement, you must make a written request and make the first premium contribution within 31 days after insurance provided by the group policy would otherwise terminate. Evidence of insurability will not be required. Coverage provided by this supplement will then be deemed effective retroactive to the beginning of the 31-day period. This date is considered to be your portability date and you are then considered to have portability status.

Who is eligible to continue insurance under this supplement?

You are eligible to continue your group life insurance under the terms of this supplement if you, except as provided by this supplement, no longer meet the eligibility requirements of your certificate due to any of the following:

1. you terminate employment, including retirement; or
2. you are no longer in a class eligible for insurance or you are on a leave or layoff; or
3. a class or group of employees insured under the policy is no longer considered eligible and there is no successor plan for that class or group.

Successor plan means an insurance policy or policies provided by us or another insurer that replaces insurance provided under this policy.

You will not be eligible to request coverage under this supplement if you:

1. have attained the age of 70; or
2. have converted your insurance to an individual life policy under the terms of your certificate’s conversion right section; or
3. were not actively at work due to sickness or injury on the date immediately preceding your portability date; or
4. lose eligibility due to termination of the group policy.

What insurance can be continued under this supplement?

Only contributory insurance may be continued under this supplement. If you elect to continue your own coverage according to the provisions of this supplement, you may also elect to continue contributory insurance for any other individual insured under your certificate. You may also continue coverage under all supplements to your certificate which apply to contributory insurance and by which you were insured immediately preceding your portability date.

The amount of insurance continued under this supplement for any individual will be subject to any applicable state law or regulation relating to allowable amounts of insurance.

What is the minimum amount of insurance that can be continued under this supplement?

The minimum amount of insurance that can be continued on your life under this supplement is $10,000 and $1,000 for a spouse or child.

What is the maximum amount of insurance that can be continued under this supplement?

The maximum amount of insurance that can be continued under this supplement is the amount of insurance that was in force on the insured’s portability date, but not more than $500,000 (basic and supplemental life combined or AD&D) for an employee or $20,000 for a spouse. However, for an insured age 65 or older on his or her portability date, the amount will not be more than 65% of the amount in force on the insured’s portability date to a maximum of $325,000 for an employee or $13,500 for a spouse.

Will the amount of insurance continued under this supplement change?

Yes. On the first day of the month following the date an insured attains age 65, the amount of insurance on his or her life continued under this supplement will reduce to 65% of the amount of insurance in force on the day prior to attainment of age 65. Insurance terminates at age 70.

Can you request a change in your amount of insurance continued under this supplement?

Yes. You may elect to reduce the amount of insurance on your life. Your remaining amount of insurance must be at least $10,000.

The amount of insurance continued under this supplement will never increase.
How will premium contributions be paid?

Premium contributions will be paid directly to us on a monthly, quarterly, semi-annual, or annual basis and will be subject to an administrative charge per billing period. We may adjust the amount of the charge, but not more often than once per year.

Can the premium rate change?

Yes. The premium rate may increase on the portability date. The premium rate may also increase in the future but will not change more often than once per year.

Can insurance continued under this supplement be converted to a policy of individual insurance?

Yes. At any time after insurance has been continued under the provisions of this supplement, it may be converted to a policy of individual insurance with Minnesota Life. All other conditions and provisions of the conversion right section of your certificate to which this supplement is attached will apply.

What happens if you again become eligible under your certificate?

If you are continuing coverage under the terms of this supplement, and again meet the eligibility requirements of your certificate, not including the terms of this supplement, you shall no longer be considered to have portability status. Insurance may be continued only under the terms of your certificate, not including this supplement unless and until you no longer meet the eligibility requirements of your certificate and again return to portability status as provided for herein.

What happens to insurance provided under this supplement when the group policy terminates?

Anything in the group policy notwithstanding, termination of the group policy by the policyholder or us will not terminate life insurance then in force for any person under the terms of this supplement. The group policy will be deemed to remain in force solely for the purpose of continuing such insurance, but without further obligation of the policyholder.

Any insurance continued under the terms of this supplement will remain in force until terminated by the provisions of the section entitled “When will insurance continued under this supplement terminate?”.

No individual may elect coverage under this supplement on or after the date of termination of the group policy.
