

HIPAA NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your dependents in this plan, if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards you or your dependents' other coverage). However, you must request enrollment within 30 days after you or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Eligible employees and dependents may also enroll under two additional circumstances:

- the employee's or dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
- the employee or dependent becomes eligible for a subsidy (state premium assistance program)

The employee or dependent must request Special Enrollment within 60 days of the loss of Medicaid/CHIP or of the eligibility determination.
