(4) Bonds issued to assist school corporations with financing for contractual retirement or severance liabilities.

(5) Notes issued to provide QE's with short-term cash flow financing during the periods of time prior to the semi-annual receipt of property taxes.

(6) Bonds issued to purchase outstanding advancements made from the State's constitutionally established Common School Fund to finance technology or construction costs.

The proceeds replenish the Fund's balance, allowing the Indiana Department of Education to provide additional financial assistance for Indiana school corporations.
