• Bond Bank provides the collateral to participate in this program
Continuing Disclosure Overview

The U.S. Securities Exchange Commission (SEC) regulates the purchasing and selling of municipal securities (bonds).

- SEC Rule 15c2-12 generally prohibits underwriters from purchasing/selling municipal securities unless the issuer has committed to provide financial or operating data on a routine (usually annual) basis.
- The rule also requires any final official statement to indicate any failure to comply (in all material respects) with any continuing disclosure undertaking/agreement in the last (five) 5 years.

Entities should review any Continuing Disclosure Agreement/Undertaking (CDUA) for any public issued bonds. Generally speaking:

- Financial, audit and statistical data will need to be filed on EMMA (www.emma.msrb.org) under each issue CUSIP or identifying number
- Bond Bank assists its participating QEs with their continuing disclosure
- Most entities use dissemination agent to assist them with their continuing disclosure

Contact Aaron Barnett at the Bond Bank if you have questions on continuing disclosure

BANKING & INVESTMENTS

AND THE INDIANA CODE
AUTHORIZED BANK PRODUCTS (DEPOSIT ACCOUNTS)

- DDA Checking Accounts
- Negotiable order of withdrawal (NOW) accounts
- Passbook savings accounts
- Certificates of Deposits (CDs)
- Money Market Accounts
- Any Interest – bearing account that is authorized and offered by a financial institution in the course of its respective business
PDIF INSURED ACCOUNTS

Make sure your deposits are PDIF insured

- Are they Public Funds? (IC 5-13-4-20)
- Fees and funds in the possession of a “Public Officer” by virtue of that office
- Is the financial institution an approved depository?
  www.in.gov/tos/deposit/files/approveddepositories.pdf

PDIF covers losses above FDIC limits
HOW TO MAXIMIZE YOUR FDIC INSURANCE

- FDIC coverage of $250,000 per depositor
- Certificate of Deposit Registry Service (CDARS)
- Allows a depositor to maximize FDIC Coverage
- Allowed by IC 5-13-9-5.3
- Funds placed in CDARS depository are then exchanged with other participating depositories in lots of $250,000 to maximize FDIC coverage
- Initial deposit must be with an approved depository
TRANSACTION ACCOUNTS

See IC 5-13-9-4(a)

Special rules for political subdivisions

- Must establish transaction accounts in depositories with branches within political boundaries
- Exception for political subdivisions that cross county lines or those without a depository within its boundaries (or only one), or if no depository will offer a transaction account

Does not apply to county hospitals
Every investing officer must obtain 3 quotes on the specific rate of interest for the term of the certificate of deposit

- The quote must be recorded in a memorandum
- The quote must be retained as a public record
- If the deposit is not placed in the institution quoting the highest rate, the fiscal officer must note the reason why
- Can invest in CDs from any depository on state’s approved list if county commissioners or political subdivision’s fiscal body passes resolution authorizing it (renewed every two years)

See IC 5-13-9-5 (A)

Mon Feb 15 2016 7:21:13 PM

Bartholomew CO 911: we tried to find you...you are leaving our county so I notified State Police  

Mon Feb 15 2016 7:26:14 PM

Thank you. We're 2 miles from exit 55 now  

Mon Feb 15 2016 7:26:39 PM

He's slowed down and calmed down. If he knows I said anything he will not be happy with me.  

Mon Feb 15 2016 7:27:20 PM

Bartholomew CO 911: then erase this conversation and try to have a better day :)

CollegeChoice 529

Treasurer Kelly Mitchell
Chair, IESA
About 529 Plans

- State-administered higher education savings programs similar to 401(k)s
- Direct-sold, advisor-sold and prepaid
- Account owners and third party contributors can save for children, grandchildren, other family members, friends or themselves
- Triple tax-advantaged
  - Tax-deferred earnings that become tax-free when used for qualified education expenses (tuition, room & board, books, fees, computers, etc.) at any eligible school
  - State tax incentives - Indiana taxpayers can receive a 20% state tax credit worth up to $1,000 each year
Indiana's Plans

- CollegeChoice Direct (~$1.5B in assets)
  - Quick online enrollment and account management
  - Nearly 70% of accounts use automatic, age-based portfolios
- CollegeChoice Advisor (~$1.7B in assets)
  - Enrollment via a financial professional
- CollegeChoice CD (~$13 million in assets)
  - Various FDIC-insured, principal-protected CD options; operates more like a traditional bank product
  - Ideal for short-term or late-term savers
Benefits & Highlights

• Affordability and Opportunity
  • $10 minimum contributions and $298,770 lifetime maximum

• Flexibility
  • Age-based and individual investment options
  • Can be used at 2-year/4-year, public/private, in-/out-of-state colleges, universities, graduate programs and trade schools

• Convenience
  • Contribute via one-time check/EFT, regular recurring investments or payroll direct deposit
  • Ugift feature allows family members and others to give the gift of college savings for special occasions or at any time
  • Can change beneficiary to another member of the family if needed
Our Successes

- 300,000 total accounts and nearly $3.3B in assets
- Lowering fees
  - Plan growth initiates reductions at future asset milestones
  - Automatic 10%+ decrease for all Direct Plan account owners later in 2016
- Promise Indiana program
  - Nearly 4500 accounts established in eight pilot counties with six more launching in 2016-2017 school year
  - Students receive $25 seed funding and have opportunity to earn 3:1 ($75) match on $25 family/champion contributions
  - Students visit area campuses for "Walk Into My Future" events that introduce them to the idea of higher education at a young age
  - Successful partnership of public, private and philanthropic sectors
  - Opportunities to foster asset-building and create college-going identities and mindsets
How You Can Help

• Be champions for college savings in your communities and within your organizations
  • Encourage people to "save now to save later" and reduce or avoid student loans with CollegeChoice

• Offer direct deposit as a benefit to your employees or peers
  • Available at no cost to any employer that uses ACH or electronic payment methods
  • Receive the support of a Plan representative to help educate employees about 529s and the benefits of CollegeChoice

Investment Update
Introducing Public Trust Advisors, LLC

• Founded in late fall 2011, Public Trust Advisors, LLC (Public Trust) is a United States Securities Exchange Commission registered independent investment advisor with headquarters and operations in Denver, Colorado. Public Trust has offices in Michigan, New York, Florida, Texas, Ohio, California and New Mexico.

• Public Trust is a leader in client-focused, cost-effective and value-driven administration of local government investment pools (LGIPs).

• Our approach is to align our goals with our clients’ expectations, and to build relationships that provide for a mutual level of trust while providing timely execution.

• The Public Trust model is simple: Provide high quality, efficient services to our clients by utilizing our experience combined with state of the art, fully integrated technology, leading to better performance while maintaining our primary investment objective, safety of principal.
Public Trust’s Experience

• The Public Trust team is a leader in the various aspects of managing local government investment pools.

• Public Trust has significant experience working with Indiana local units of government, many of the key members of our team managed Invest Indiana and went on to serve the Indiana Treasurer of State (TOS) in the establishment and co-management of TrustINdiana until late 2011.

• The Public Trust team completed successful 60-day transitions of COLOTRUST, NYCLASS, Texas CLASS, Michigan CLASS, TrustINdiana, and LAMP with more than 3,500 shareholder accounts whose combined assets total more than $12 billion*.

• Public Trust maintains a dedicated fund-accounting / client service team whose primary objectives and responsibilities focus on the satisfaction and comfort of our LGIP Participants.

TrustINdiana vs. S&P AAA/AA GIP* - Comparison of 30 Day Net Yields

*The benchmark, the S&P US AAA & AA Rated GIP All 30 Day Net Yield (LGIPG30D) is a performance indicator of rated GIPs that maintain a stable net asset value of $1.00 per share and is an unmanaged market index representative of the LGIP universe. The S&P benchmark utilized in this comparison is a composite of all rated stable net asset value pools. GIPs in the index include only those rated based on Standard & Poor’s money market criteria. Pools rated ‘AAAm’ provide excellent safety and a superior capacity to maintain principal value while those rated ‘AAm’ offer very good safety and a strong capacity to maintain principal value (Source: Standard & Poor’s website, 9/27/2013.) The comparison between this index and the portfolio may differ in holdings, duration and percentage composition of each holding. Such differences may account for variances in yield. Public Trust Advisors, LLC took over the management and advisory services effective May 1, 2015. All data prior to this date is from the previous Investment Advisor. As both Investment Advisors adhered to the investment policy there may be variances in yield, weighted average maturities and portfolio composition due to differing investment styles. Past Performance is no guarantee of future results. Any financial and/or investment decision may incur losses.

Recovery Process for public funds in a closed depository
Indiana Department of Financial Institutions (DFI) will determine the amount of public funds on deposit at the closed depository and certifies that information to Indiana Attorney General’s Office, (AGO) the Indiana Auditor of State’s Office, (ASO) and the public entity, public officer, that has the funds in the depository.
Within 10 days after receiving certification, the public officer shall furnish to the AGO and the ASO the following:

- Verified statements on the amount of their funds in closed depository
- Certified copies of the resolutions under which the deposits were made
- Additional information that might be requested by the AGO and ASO
The Attorney General and Auditor of State will determine the amount covered by the PDIF, and provide their decision to the public officers, the DFI and the BFD.
Recovery Process for public funds in a closed depository

The DFI Publishes the decision of the AGO and ASO

After the publication, the Public Officer has 10 days to appeal to a court.

After the 10 days has expired, or a court rules for or against the AGO and ASO decision.
While we will attempt to provide the funds as quickly as possible, it could take up to 90 days after a depository is closed to receive funds. It could be longer if the decision is challenged in court.

- Overview of Indiana Housing and Community Development Authority (IHCDA) and its programs
- Experience with IHCDA in past? If so, what programs?
- Member of Real Estate Production team – development of affordable housing primarily in small and rural Indiana communities
- Overview of Non-Real Estate Development programs
IHCDA Mission And Vision

IHCDA Mission
To provide housing opportunities, promote self-sufficiency, and strengthen communities.

IHCDA Vision
An Indiana with a sustainable quality of life for all Hoosiers in the community of their choice.

To accomplish this we will:
• Create and preserve housing for Indiana’s most vulnerable population.
• Enhance self-sufficiency initiatives in existing programs.
• Promote a value-driven culture of continuous improvement.
• Promote place-based initiatives that will allow Hoosiers opportunities to improve their quality of life.
IHCDA's work is done in partnership with Developers, Lenders, Investors, and Not for Profit Organizations.

Our financing is used to serve low- and moderate-income Hoosiers.

We leverage government and private funds to invest in financially sound, well-designed projects that will benefit communities for many years to come. And our investments bear outstanding returns.

Activities that we finance help families become more stable, put down roots, and climb the economic ladder.

In turn, communities grow and prosper, broadening their tax base, creating new jobs, and maximizing local resources. IHCDA's work is truly a vehicle for economic growth, and it all starts at home.

MY COMMUNITY, MY VISION

• The intention is to combat “Brain Drain”. How do we stop losing talented and passionate youth from our communities?

• MCMV gives students an opportunity to create a comprehensive vision for their community - what can their community do to make them come back after college?

• Partnership with Ball State Department of Urban Planning for high school students across the State of Indiana.

• Select 5 schools to create their community plan - can be part of a classroom setting or after school program.

• Applications for the next round will be available at the end of May. Applications will be due in September.

• Communities participating in the MCMV program may earn points on future applications for funding sources like HOME and CDBG.

• Creating a comprehensive plan through MCMV, helps communities access different funding sources, like NAP credits for example (when partnering with a local non-profit)

115 communities assisted through OCRA

Programs have secured $27 million to help communities improve the quality of place.
Since 2005, OCRA has secured more than $820 million in funds for communities across Indiana to assist communities in completing projects using financial and technical assistance from OCRA.
Our biggest challenges throughout Indiana are our declining populations, declining school enrollment and increasing age. We want to change the trajectory of these items and help create the quality of places where people want to live, work and grow within the community.

Improve placemaking strategies
After brainstorming sessions, a citywide survey, and a community forum, Lebanon’s HCI Team has selected its Capstone Project. Lebanon, Indiana is getting an application (app) for cell phones and tablets.

“It is an exciting time for our city. If Lebanon is going to take the next step and improve its quality of life; communication and engagement will be of the utmost importance. I’m confident that a Lebanon app will improve the way our residents and visitors, stay informed.”

Lebanon Mayor Matt Gentry
Seymour's HCI Coordinating Team is heavily engaged with Vision 2025 in planning and launching their Local Food Summit which will take place on February 24. Seymour began the HCI process in early 2015 and early on the HCI team members had a strong feeling they would pursue an area that focused around Quality of Place. Through the learning foundation phase and the building block phase the HCI Seymour team members discovered a passion for local foods both among the group, Vision 2025 and the local community members of Seymour.
The HCI Rush County Team has been hard at work planning their entrepreneurship portal website. At their most recent meeting, team members worked to construct a site map and began to discuss content which would truly make the website a one stop shop for entrepreneurs and small business owners in Rush County. In conjunction with the entrepreneurship portal website the team is also planning a visit to a community in Ohio to learn more of how the community has implemented a successful Business Retention and Expansion program.
