OVERVIEW

The Indiana Education Scholarship Account (ESA) Program was established during the 2021 legislative session and launched for the 2022-2023 school year. Administered by the Office of the Treasurer of State, the program provides qualifying students with disabilities throughout the state of Indiana the flexibility to spend dedicated scholarship money on approved educational programs and expenses.

Participating students are entitled to receive 90% of basic tuition support, as well as 100% of special education dollars allotted to the student, by the state, if the student chooses not to receive special education services from their local public school. The basic tuition support varies by school district and is based on the student's school corporation of legal residence.

Funds are disbursed into each student's account on the following quarterly schedule: August 18, October 1, January 1, and April 1. The first year that the account is established, a student may roll over up to \$1,000 of unused funds. For every subsequent year, a student may roll over \$1,000 plus any amount rolled over in a previous year.

PARTICIPATION

Student Participation

For the purpose of this report, a participating student is defined as any student who received an ESA payment for the 2022-2023 school year, regardless of whether the student maintained an account for the entirety of the school year.

For the 2022-2023 school year, the student application period was open from June 27, 2022, through August 16, 2022. During the application window, a total of 306 ESA applications were created. Of those applications, 185 ESA applications were approved. Ultimately, the total number of participating students was 169 for the 2022-2023 school year.

Participating Entity Participation

The application for Participating Entities opened on April 25, 2022, and remains open on a rolling basis. As of March 1, 2023, there were 132 approved Participating Entities.

Of those 132 Participating Entities, 14 of the providers were qualified schools. Data pertaining to ESA participant enrollment and qualifying award amounts to qualified schools can be found in Appendices A and B, respectively.

Student Participation by Grade Level

There were students represented in every grade level from kindergarten through grade 12 in the 2022-2023 group of ESA participants. Of the 169 students, 10 did not have grade level information and are therefore coded below as “Unknown.” Unavailable grade level information may be due to the student being homeschooled and/or attending a school that is not required to submit data to the state. A full breakdown of participation by grade level can be found in Tables 1a and 1b on the following pages.

QUALIFIED AWARD AMOUNTS

Qualified 90% Award Amounts by Grade

Per Indiana Code, an eligible ESA student is annually entitled to receive 90% of the basic state tuition support based on the student's corporation of legal settlement. When isolated to grade level, the highest total qualified award amount would be allocated to fourth grade, which is supported by the data that the highest number of participating ESA students are currently enrolled in fourth grade. On the following page, Table 9 shows the 90% awards grouped by grade level.

2022-2023 ESA STUDENT SUMMARY

The following description of the “average” ESA student is based solely on data found within this ESA Report. “Average” refers to the most common descriptor within each data set.

The “average” ESA student is male and of a white ethnicity, from a suburban setting and currently enrolled in fourth grade. Additionally, the “average” ESA student attended an Indiana public school last year, has not previously participated in the Choice Scholarship program, and has retained an active ESA account throughout the 2022-2023 school year. The average 90% award amount is \$6,203.

Having just launched in 2022-2023, the ESA program is still in its earliest stages of implementation. We anticipate the program will continue to grow as families consider how to best meet the unique learning and instructional needs of their children.
