

November 4th, 2025  
SECOND INJURY FUND  
STATUS REPORT

Pursuant to IC 22-3-3-13, the Worker's Compensation Board hereby informs you that an assessment to the Second Injury Fund will be necessary in 2026 to ensure that beneficiaries continue to receive their statutory awards of compensation and/or prosthetic replacements from the Fund.

The balance remaining in the Fund as of November 3<sup>rd</sup>, 2025 is \$5,309,556. Disbursements for 2024 totaled \$7,705,426. In accordance with IC 22-3-3-13(c) (2), an assessment is appropriate for 2024 because the assets in the Fund on or before November 1st are less than 135% of the previous year's payments.

We will use the same formulas for the 2026 assessment as were applied for 2025. However, the administrative expense of the Board is being recalculated after several years of a flat charge.

As always, please reach out to me if you have questions or comments. [Lhamilton@wcb.in.gov](mailto:Lhamilton@wcb.in.gov).

Yours very truly,
