We have secured an accepted purchase agreement for a building with the appropriate zoning.	There is no prohibition on grant funds being used to make capital expenditures and/or purchase real property. However, funding a project with these uses of grant dollars will depend on the applicant's ability to fulfill the requirements of the federal Uniform Grant Guidance (2 CFR Part 200) as it relates to capital or real property purchases, which must be reasonable and necessary. If you are proposing using funds to purchase real property or make capital expenditures, please elaborate on how you plan on fulfilling the Uniform Grant Guidance.
